07-260501 Cross Sections

(complete the appropriate section)

CO. - Rte. - PM: LA - 91 - R6.3/R11.7

Project Engineer:	Barkef Karapetian	
Design Manager:	Refugio Dominguez	
Project Manager:	John Vassiliades	

Cross sections are not needed because (check the appropriate reason):

✓	Project is exclusively resurfacing	
	Project is exclusively highway planting	
	Project is building work with no parking lots or heavy equipment storage	
	Project Engineer Signature: Karapetian	Date: 11/16/2010

Cross sections are not needed because:

	Project has minimal or no grading and sufficient information is contained in typical cross sections, profile grades, contour grading or other plan sheets, or average-end area Calculations are not used for payment purposes.	
	Project Engineer Signature:	Date:
	Surveys Signature:	Date:
	Construction Signature:	Date:

Cross sections are required but have not been furnished. Justification attached.
