State Route 120 East and State Route 158 South Reopen from Winter Closures

Bishop – The California Department of Transportation (Caltrans), District 9 announced today that both State Route 120 East (between US Hwy 395 & US Hwy 6) and State Route 158 South (June Lake Loop) have been opened from their winter closure status.

As is often the case this time of year, the opening is dependent on favorable weather. If the area is impacted by inclement weather Caltrans may have to re-close the highway. Please check local highway conditions by calling 1-800-427-7623 or www.quickmap.dot.ca.gov before you begin your travel.
