FOR IMMEDIATE RELEASE

Mono County Sign Project

Mono County – The California Department of Transportation (Caltrans) will begin to replace roadside signs along US Hwy 395 from 2.3 miles north of the Inyo County line to Mill Canyon Road (107 miles) on August 5, 2013.

Drivers should not encounter any delays due to this project, although there will be daily shoulder closures.

This project is scheduled to be completed by September 2013.

The contractor for this \$59,888 project is Hi-Way Safety, Inc. of Chino, CA.

For the safety of the construction crew and motorists, please be attentive to closures, slow for the cone zone, and move over one lane where possible.
