FOR IMMEDIATE RELEASE

CALTRANS BEGINS SPRING CLEARING OF SONORA PASS/STATE ROUTE 108 IN MONO COUNTY

MONO County – The California Department of Transportation (Caltrans) is currently working on the spring clearing of State Route 108 (SR-108) over Sonora Pass, removing snow, clearing debris, inspecting the roadway and making the appropriate improvements to ensure the public's safety.

Caltrans' goal is to open Sonora Pass to Leavitt Lake Road in time for the beginning of trout season at the end of April 2016. Caltrans asks that no pedestrians, bicyclists or other vehicles go beyond the closure gates while maintenance crews are conducting snow removal/maintenance operations.

Caltrans extends its best wishes for safe summer traveling to those who enjoy the recreational opportunities this part of California has to offer.

This work is subject to change due to traffic incidents, weather, and availability of equipment and / or materials and construction issues.

Winter weather and road conditions can change rapidly. Motorists should expect the worst conditions and be prepared when traveling in areas subject to hazardous conditions. All vehicles, including those with four-wheel drive or snow tires should, additionally, carry chains when traveling during snowy weather.

For the latest in highway information please call our Road Condition Hotline at 1-800-427-ROAD (7623), or online at <http://quickmap.dot.ca.gov/>.
