- 1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.
- 2) Modification to the work may require a change in the quote.
- 3) Unless otherwise indicated the unit prices are based on ABSL performing all the work included on the proposal. If ABSL does not receive a contract for all the work, the unit prices are subject to adjustment.
- 4) The unit prices are based on the estimated quantities in the bid proposal. If the quantity of the item changes by 25% or more the unit price is subject to equitable adjustment.
- 5) All teeth over one complete set will be charge to the contractor.
- 6) Prices are good for 30 days from the date of this proposal, after that date the prices are subject to adjustment.
- 7) In the event there is an increase in the cost of fuel of more than \$0.50 per gallon during the performance of this contract, ABSL will be entitled to a \$75.00 per day fuel surcharge. The base cost of fuel shall be established on the bid date of the contract by reference to the Weekly Retail On-Highway Diesel Prices for California, as published by the U.S. Department of Energy on its web site at www.tonto.eia.doe.gov/oog/info/wohdp/diesel.asp.

- 10) This proposal to be attached and made part of any and all resulting contracts.
- 11) The above price does not include permits, fees, bonding, state or local taxes.
- 12) This is a proposal only for the purpose of establishing a price for work as outlined. In the event ABSL is the low bidder a formal contract or PO suitable to both parties shall be prepared and fully executed.
- 13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
- 14) Backcharges to ABSL must be communicated by contractor in a written notice within 72 hours from the time of occurrence for backcharges.

- 1) A minimum daily rate is any part of an 8 hour day and overtime will be charged for work done other than a regular weekday shift.

- 11) The above price does not include permits, fees, bonding, state or local taxes.

Proposal

PAYMENT SCHEDULE:

Monthly progress payments will be due thirty (30) days from the date of DBE's invoice or seven (7) days after receipt from the Owner, whichever is earlier. Prime Contractor shall pay prompt payment penalties at 2% per month per state statute and interest on all amounts due and unpaid. If Prime Contractor fails to make payment when due, DBE shall have the right to stop work on forty-eight (48) hours' notice without any liability for project delay. Retention rate is not to exceed that withheld by the Owner. All retention will be released thirty-five (35) days after completion of DBE's work. DBE will be allowed to furnish securities in an escrow account in lieu of retention being withheld.

FORCE ACCOUNT WORK:

DBE is to receive all mark up with the exception of the percentage allowed to the Prime Contractor in the Prime Contract.

WORK SCHEDULE:

1. DBE requires 60 day preliminary written notice of move-in date, with final written notice given three weeks in advance.
2. This proposal is based on a standard 8-hour shift, 5 days per week, with DBE's work to be performed in continuous operations, or as the job staging allows, in accordance with a mutually agreeable schedule, without delay by others. Prime Contractor shall furnish to DBE electronic copies of CPM baseline schedule and monthly updates.
3. If the baseline or any subsequent schedule dictates work being performed after the completion date set forth above, DBE shall have the right to receive increased payments from Prime Contractor and/or Owner to account for labor, equipment, and/or material price escalation and Prime Contractor shall also grant time extension(s) to DBE.

INDEMNIFICATION:

DBE and Prime Contractor (the "Indemnitor") will indemnify and defend the other (the "Indemnitee") for the Indemnitor's proportionate share of responsibility for the cause of any claims for injury or damages except to the extent arising out of the Indemnitee's negligence, whether in whole or in part. Additionally, DBE will not provide a waiver of subrogation unless it is required by the Prime Contract.

CHANGES:

DBE reserves the right to review and approve all Contract Change Orders relating to DBE work items prior to submittal and acceptance. Additional or changed work will be performed upon the completion of an executed Change Order, but Prime Contractor shall pay DBE for extra or changed work if DBE is given written or oral direction by Prime Contractor or Owner to proceed with such work.

- 13) Repairs of damage to ABSL equipment due to unmarked or buried obstructions; i.e. valve boxes, manholes covers, concrete, steel fence posts, steel pipe or excessive depth asphalt will be billed at time and material for repairs.
