Dear Transportation Construction Community:

The California Department of Transportation (Caltrans) would like to inform you about two major relocations that will soon take place in Sacramento. After years of planning, we are moving our Plans Counter and bid opening out of the Caltrans Headquarters building to the Caltrans Farmers Market 3 (FM 3) building.

Plans Counter

The Caltrans Plans Counter will move from 1120 N Street to 1727 30th Street in Sacramento on June 1 through June 2, 2010.

The new plans counter, the "Caltrans Bidder's Room," will operate like a builder's exchange. Instead of packing and shipping documents (which has mostly ceased with our E-Advertising), our friendly and helpful staff will assist contractors at three computer workstations to search for Caltrans construction opportunities. Hard copies of plans and Notices to Bidders (which includes the contract special provisions) will be available for viewing.

The Bidder's Room is in the FM 3 building behind the security guard station. There is public parking available nearby. The Bidder's Room will be open for visitors on June 3, 2010.

Bid Opening

With the relocation of the Plans Counter, we are also moving the bid opening location for the District 1, 2, 3, 4, 5, 6, 9 and 10 construction contracts. Bid openings at FM 3 will begin on July 6, 2010. We will continue to open bids at 1120 N Street through June 30, 2010.

The new bid opening room is the FM 3 first floor main conference room next to the security guard station. There is public parking available nearby.

Attached is a street map with the FM 3 location.
