Re: Dogwood Avenue / I-8 Landscaping
Water Supply Capability

Sam,

The City of El Centro public water system is capable of and will supply water to the project located at the intersection of Dogwood Avenue and Interstate 8 for the purpose of landscaping. Said landscaping shall be drought tolerant per State and local requirements. Please contact this office for a water application once a water meter and connection point is required by your project.

Feel free to contact us with any further questions at 760.337.5182
