welcome

Caltrans has developed this web portal to connect with transportation users throughout the State - from San Diego to Yreka and everywhere in between. We want this portal to be a dynamic, educational tool that highlights California's critical transportation issues and gives you the chance to tell us what you think about transportation in our great State. We hope you visit this site often, and that you subscribe to our email updates and RSS feed to keep up with what's new.

- about the plan
- how to get involved
- projects in your neighborhood
- frequently asked questions
- what's next
- meetings & events
- transportation programming resources
- resource tools
- accessibility

DID YOU KNOW ?

81% of Californians support encouraging local governments to encourage local residents to plan so that local residents could drive less.
