

# Memorandum

To: CHAIR AND COMMISSIONERS  
CALIFORNIA TRANSPORTATION COMMISSION

CTC Meeting: June 27-28, 2012

Reference No.: 2.1a.(6)  
Action Item

From: NORMA ORTEGA  
Chief Financial Officer

Prepared by: Kurt Scherzinger  
Acting Division Chief  
Transportation Programming

Subject: **STIP AMENDMENT 12S-001**

## **RECOMMENDATION:**

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) consider the requested State Transportation Improvement Program (STIP) amendment. The amendment was noticed at the May 2012 Commission meeting.

## **ISSUE:**

The Stanislaus Council of Governments (StanCOG) and the County of Stanislaus are requesting an AB 3090 cash reimbursement allowing the County of Stanislaus to use local funds in the amount of \$3,250,000 in Fiscal Year (FY) 2011-12, which will replace Regional Improvement Program (RIP) funds for construction for the Widen Claribel Road from SR 108 & SR 219 to Oakdale Road project (PPNO 0230), currently programmed in FY 2013-14. The reimbursement is to be programmed on the AB 3090 Reimbursement project (PPNO 0230A) in FY 2013-14, FY 2014-15, and FY 2015-16.

## **BACKGROUND:**

The Widen Claribel Road from SR 108 & SR 219 to Oakdale Road project will widen Claribel Road to two lanes in each direction with a two-way left turn lane, and install a traffic signal at Coffee Road.

Currently, \$3,250,000 in RIP funds is programmed in the 2012 STIP in FY 2013-14. However, the County of Stanislaus is ready to start construction in FY 2011-12. The County of Stanislaus intends to use local development fees to begin construction and will request reimbursement over three fiscal years beginning in FY 2013-14. The local funds would be used for the McHenry Avenue Widening Segment 2 project if not used for this project. StanCOG has confirmed that: (1) A replacement project is not available; (2) This project is the highest priority in Stanislaus County; and (3) The project is federalized.

This request follows AB 3090 Guidelines which allow a local agency to use its own funds (non-state or non-federal) to complete a project component early to be later reimbursed with STIP funds currently programmed on the project. An AB 3090 reimbursement agreement will be drafted and submitted to the Commission staff for review prior to the Commission's June 2012 meeting.

**RESOLUTION:**

Be it Resolved, that the California Transportation Commission does hereby amend the 2012 State Transportation Improvement Program for the Widen Claribel Road from SR 108 & SR 219 to Oakdale Road project (PPNO 0230), as described above and reflected in the following tables.
