Subject: **FINANCIAL ALLOCATION FOR FISCAL YEAR 2012-13 RIGHT OF WAY LUMP SUM RESOLUTION FM-11-05**

RECOMMENDATION:

The California Department of Transportation (Department) recommends the California Transportation Commission (Commission) approve the following Resolution allocating a lump sum of \$227,040,000 for Right of Way (R/W) capital outlay funds for Fiscal Year (FY) 2012-13.

ISSUE:

Each year the Department is required to obtain an annual R/W capital allocation from the Commission before it can deliver the R/W needs for programmed projects in the Project Delivery Plan. The approval of this Resolution will provide the Department the ability to deliver its R/W commitments for FY 2012-13.

BACKGROUND:

Resolution G-01-09 requires the Department to annually present its R/W capital expenditure plan to the Commission for review and acceptance. The Resolution states that the plan will be supported by a project list that includes at a minimum, project description, source programming document, district, county, route, post mile, expenditure authorization, planning programming number, planned R/W expenditure, and total programmed R/W capital.

The FY 2012-13 R/W Capital Outlay Expenditure Plan is consistent with the Department's State Highway Operation and Protection Program (SHOPP) and State Transportation Improvement Program (STIP) documents, as approved by the Commission, and it includes the specific categories of Post Certification expenditures, Damage to Property (Inverse Condemnation) Settlements as well as estimated Project Development Capital.

Separate line items for Pre-Project Mitigation costs and cost of the re-purchase of previously sold excess land under Government Code Section 54235, et seq., commonly referred to as the Roberti Bill, for violations of terms of the purchase agreement between the Department and the purchaser are also shown as part of the R/W allocation.

Consistent with Resolution G-01-09, the Department reviewed with Commission staff the proposed list of projects that comprise the requested FY 2012-13 R/W capital allocation.

Attachment A shows breakdowns of the lump-sum Capital by fund and appropriation.
