**Subject:** **TECHNICAL CORRECTION TO PREVIOUSLY APPROVED RESOLUTION  
RESOLUTION FP-13-54**

## **RECOMMENDATION:**

The California Department of Transportation recommends the California Transportation Commission (Commission) approve a technical correction to Resolution FP-13-54, originally approved on May 21, 2014.

## **ISSUE:**

At its May 2014 meeting, the Commission approved Resolution FP-13-54 to allocate \$19,295,000 for three locally administered STIP Projects on the State Highway System. A technical correction is needed for Project 1 (PPNO 2262), the Downtown Hoopa Traffic Enhancement project in Humboldt County, to correct the Project ID from 0112000214 to 0114000114 and the Implementing Agency from "Hoopa Valley Council Tribe" to "Hoopa Valley Tribe" in the vote box attachment.

The required changes are reflected in strikethrough and bold on the attached document.

There is no change to the Book Item Memorandum.
